LARGE RAINBOW SUN OR STAR TUTORIAL

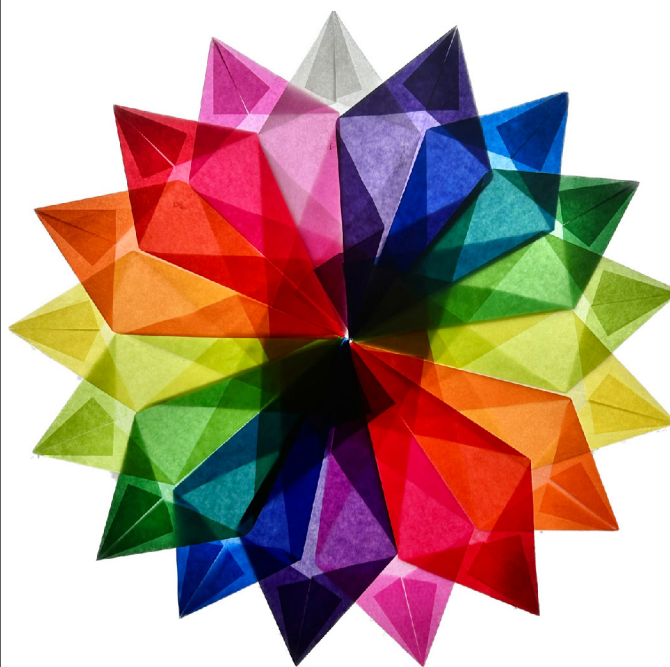

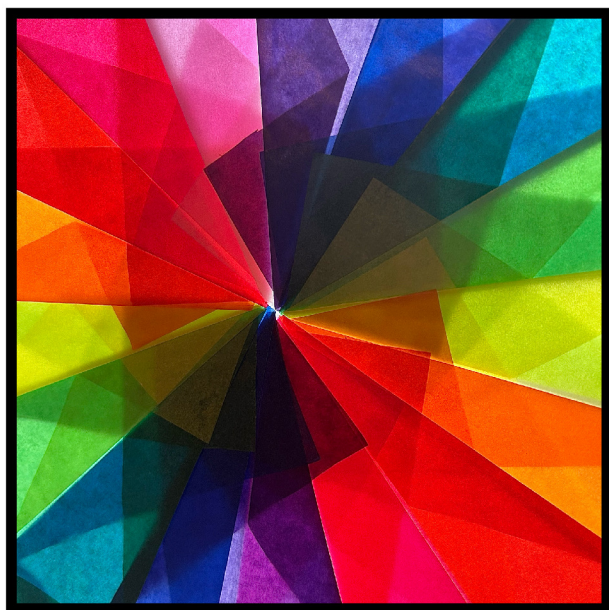

MINI BOOKLET STEP-BY-STEP

BY: ACORNS AND APRONS

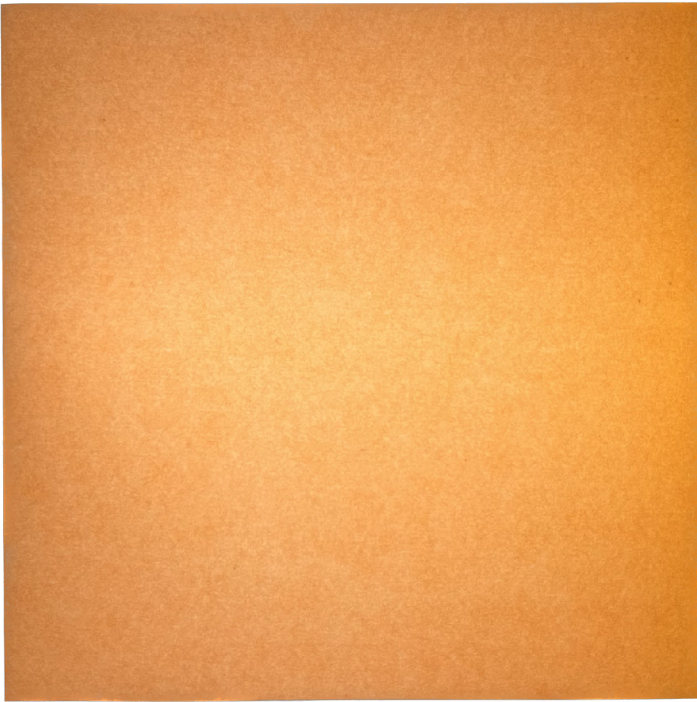

Materials:

1. kite paper (8.5 squares)
2. glue stick
3. scissors
4. clear tape (to hang)

hang it up in a window!
-facing either way!

1

square kite paper

2

fold in half

3

cut on fold line

4

create a rectangle

5

fold in half, then unfold
to create a fold line

6

fold the 2 top points
into the fold line

7

unfold to create a fold line

8

fold top edge along
both fold lines

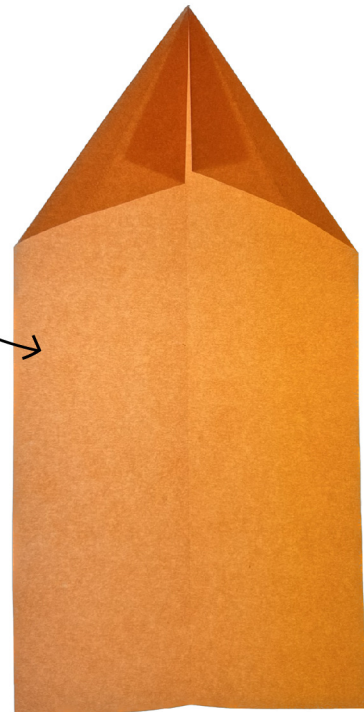

9

fold two tops points along
middle fold line

10

TURN OVER!

IMPORTANT:
turn the kite paper over!

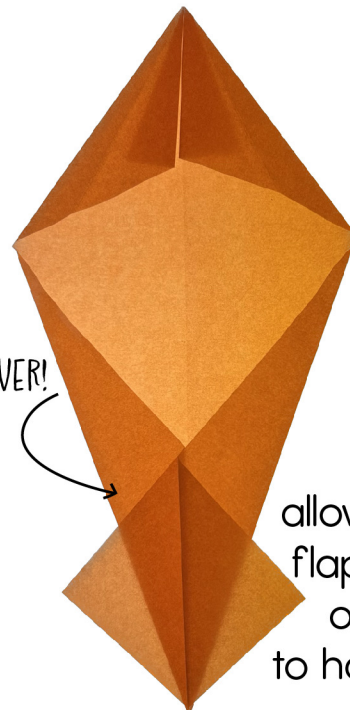

11

fold the two bottom
points along the fold line

12

TURN OVER!

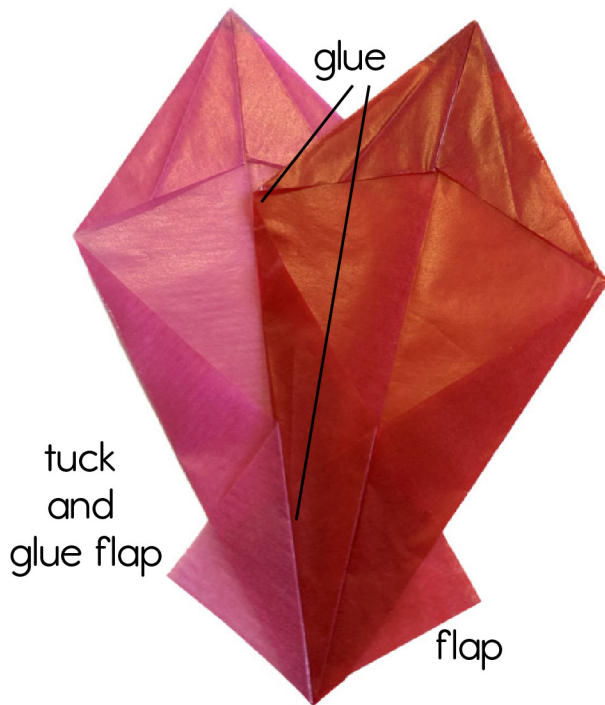

allow the folded
flaps from the
other side
to hang outward

turn over the kite paper, again!
fold the two side points
up to the middle fold line

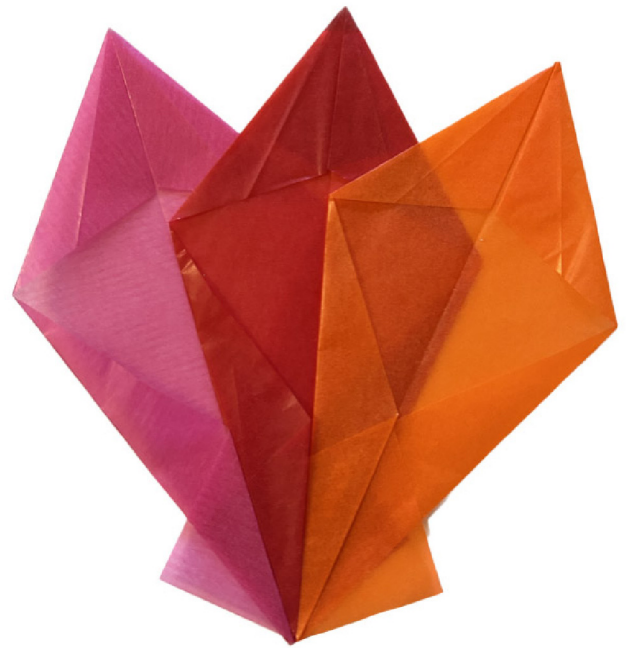

assemble it together:

13

tuck the flap into the next folded piece then glue the pieces together

14

continue to glue all of the pieces together

15

you will need 16-17 pieces
-8 squares cut into rectangles

16

glue on 8 pieces,
then the other 8 separately,
then attach them together at the ends.
Add an extra white piece, if needed!

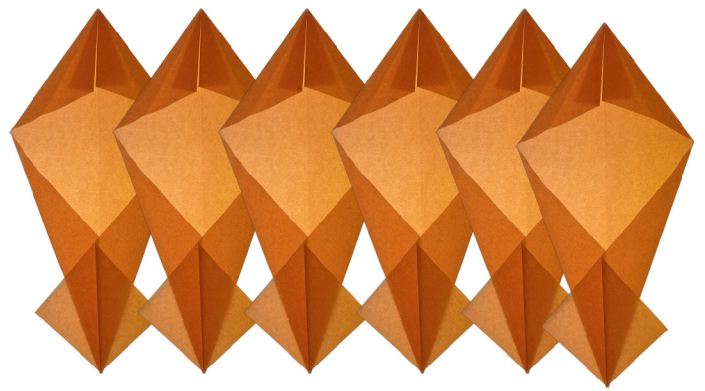

Try this! Use the same folding pattern, with opposite assembly.

FOLDED SUN OR STAR TUTORIAL Mini BOOKLET STEP-BY-STEP

BY: ACORNS AND APRONS

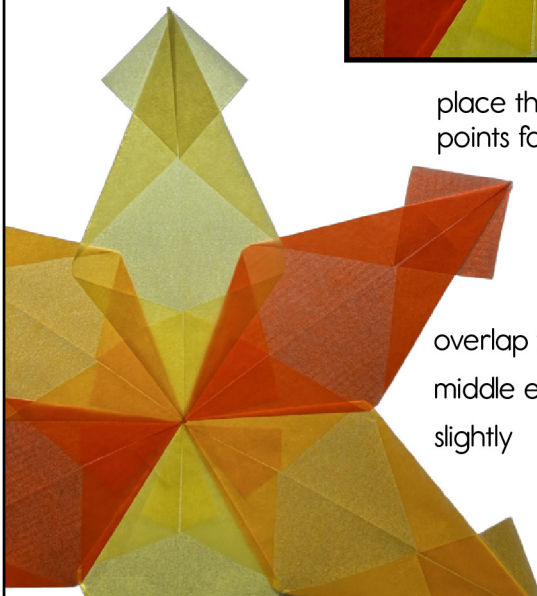

Materials:

1. kite paper
2. glue stick
3. scissors
4. clear tape (to hang)

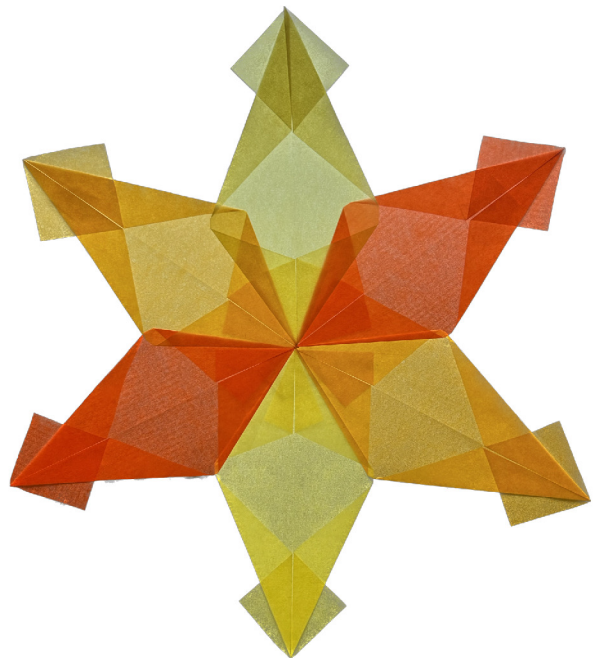

create 6 or 8
pieces and
assemble
your star
using glue

place the diamond
points facing outwards

overlap the
middle edges
slightly

hang it up in a window!
-facing either way!
